O R D E R

On June 12, 2006, Red Barn Waste Management, LLC ("Applicant") applied for approval of the transfer and acquisition of control of the ownership, assets, and operating interests of Chimney Rock Waste Management, LLC. KRS 278.020(6) requires us to consider and rule upon the application within 60 days unless we find that good cause exists to continue the application.

Having reviewed the existing record, the Commission finds that this record does not make a complete and thorough presentation of the proposed transaction or the Applicant's ability to provide utility service, that additional proceedings regarding the application are necessary, and that such proceedings will require additional time beyond the 60-day review period provided in KRS 278.020(5).

IT IS THEREFORE ORDERED that the period for reviewing the Joint Application is extended to 120 days.

Done at Frankfort, Kentucky, this 11th day of July, 2006.
